Presenting . . .

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, and the fourth part discusses the implications of the findings. The paper concludes with a summary of the main findings and a list of references.

The research was conducted in a systematic and rigorous manner, following the principles of good research practice. The data was collected from a representative sample of the population, and the analysis was carried out using appropriate statistical methods. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well written and easy to read, and it provides a valuable contribution to the field of research.

The findings of the study have important implications for the field of research, and they provide a basis for further research. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well written and easy to read, and it provides a valuable contribution to the field of research.

The findings of the study have important implications for the field of research, and they provide a basis for further research. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well written and easy to read, and it provides a valuable contribution to the field of research.

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights how cultural differences can influence the interpretation of data and the design of the study. The second part of the paper focuses on the methodology used in the study, including the selection of participants and the data collection process. The third part of the paper presents the results of the study, which show that there are significant differences in the way that people from different cultures interpret and use technology. The final part of the paper discusses the implications of these findings for future research and practice.

The study was conducted in a laboratory setting, where participants were asked to perform a series of tasks that required them to use a computer. The tasks were designed to be culturally neutral, but the results showed that people from different cultures had different levels of proficiency and confidence when using the computer. This suggests that cultural differences can influence the way that people learn and use technology. The study also found that people from different cultures had different attitudes towards technology, with some people being more open to using it than others. These findings have important implications for the design of technology and the way that it is taught and used.

The study was limited by a number of factors, including the small sample size and the laboratory setting. Future research should aim to address these limitations by conducting larger studies in more naturalistic settings. It would also be interesting to explore the reasons for the cultural differences in technology use, and to develop strategies to help people from different cultures learn and use technology more effectively.

Foreword

"WHAT'S in a letter?" The familiar WWHS took on a two-fold meaning in '62-'63 as Work, Win, Honor, and Scholarship became bywords.

WORK: From the opening day of school we were conditioned by ... homework ... outlines ... book reports ... quizzes ... labs ... discussions ... oral reports ... research ... themes ... tests ... college boards ... exams.

WIN: Competition was keen throughout the year in ... football ... cross country ... basketball ... wrestling ... track ... baseball ... tennis ... golf ... intramurals ... homecoming floats ... school spirit ... all state band and chorus ... contest play ... homeroom competition ... debate ... elections ... awards day.

HONOR: We were reminded constantly of this quality by ... Honor Court ... Wilson Code ... the signing of the pledge ... scrolls ... sportsmanship ... assembly ... exam prayers ... motto.

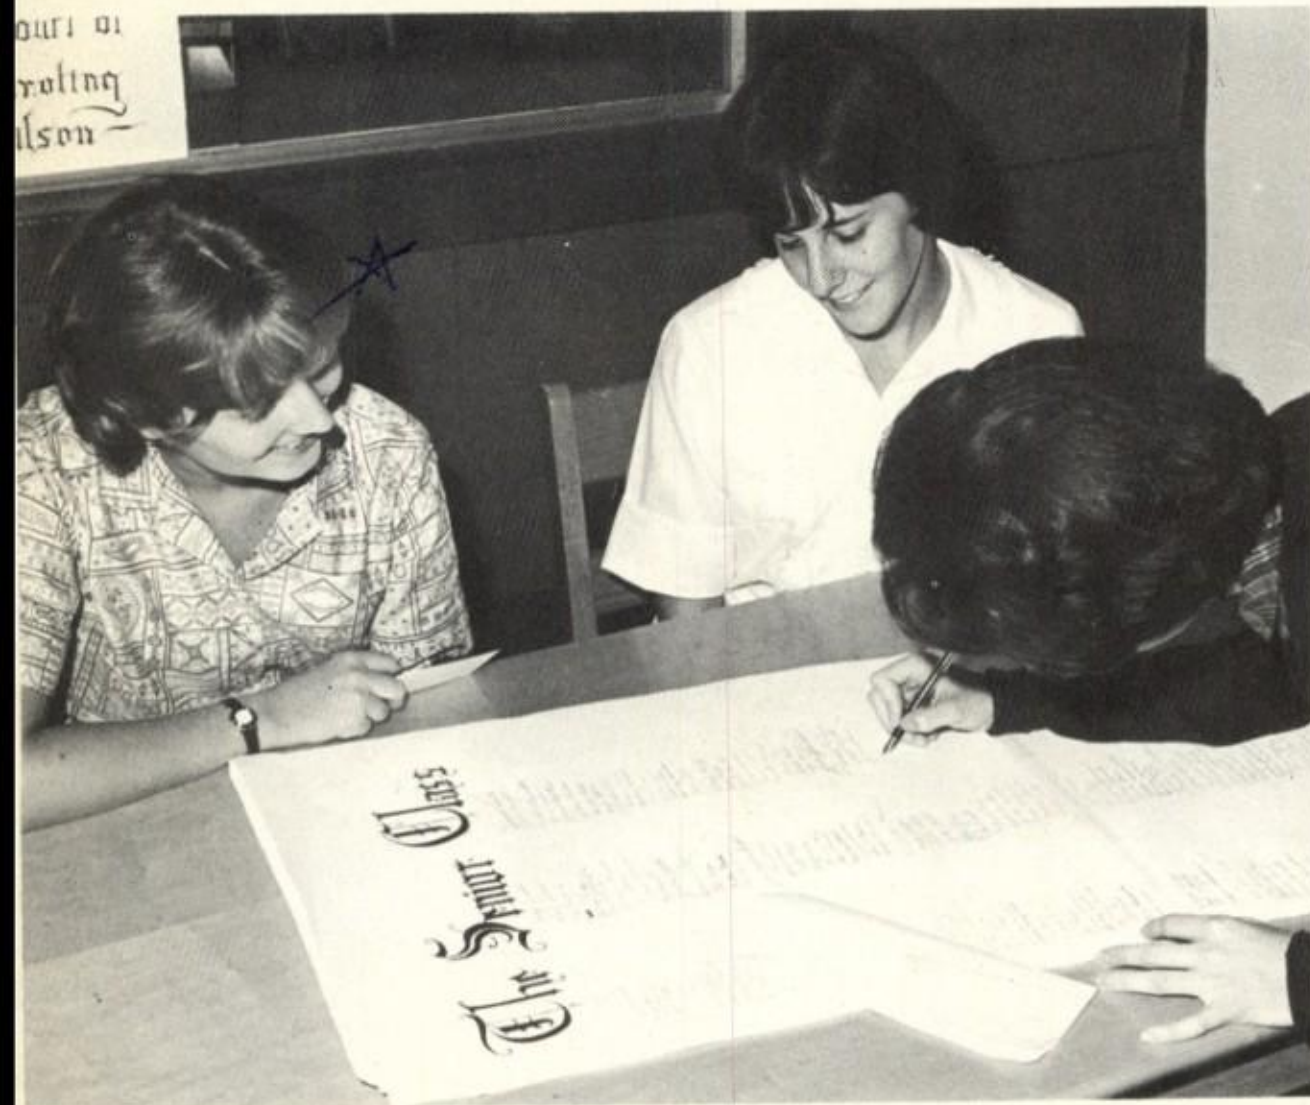

SCHOLARSHIP: This was an individual matter evidenced by ... daily effort ... principal's list ... quiz bowls ... National Honor Society ... scholastic team.

It is the hope of the staff that this 1963 President will be a constant reminder of the year when our motto was ...

Principal

Administration

"A yearbook is like a clock or calendar in that all three mark the passage of time. It is my earnest wish that this book will remind you many times in the long years ahead of four profitable years passed in the classrooms and on the playing fields of Woodrow Wilson High School. I pray that you are better people for having passed this way.

"This year our theme has been WORK and WIN with HONOR and SCHOLARSHIP. As we glance backward we can take pride in the fact that generally we have been a working group, and our work has frequently resulted in victories both scholastically and athletically; but most important of all, we have held high the badge of honor.

"You can finish your year, or your high school course in the case of seniors, with a deserved "Well done!" from your principal."

Robert W. Allen

"A justice of our present Supreme Court has stated in an official opinion: 'Nothing is more certain in modern society than the principal that there are no absolutes.' Modern writers claim that teachers are no longer qualified to guide the young because the generations live in two different worlds. Politicians rant that we cannot solve today's problems with yesterday's solutions. True, the winds of greed and envy have profoundly shaken the world you were born into. We see it darkly. But fear not, friends. After the storm the dust will settle, and the same truths will still be there. Your school days will not have been in vain."

In Memoriam

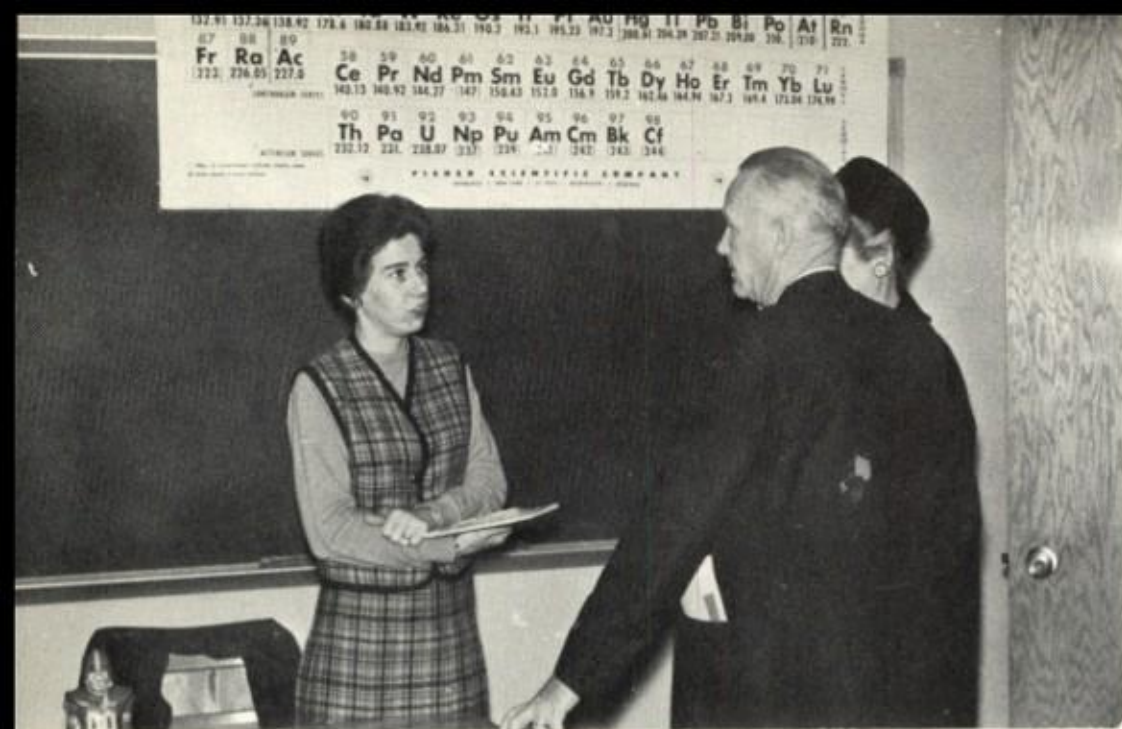

Mrs. Gertrude Kipp Waldron, recognized as a devoted teacher, died October 16, 1962, just two weeks after she met her classes for the last time.

Educated at the University of Cincinnati, the University of Richmond, and the University of Virginia, she brought to her classes a wealth of knowledge which she had acquired through prolific reading and diligent study. She was keenly observant, constantly alert to current events, deeply concerned about the problems of the educational field. Her cultural background was a broad one, so that those who came under her influence were aware that she knew whereof she spoke. Though her last weeks of teaching were spent under most adverse circumstances engendered by pain and physical suffering, Mrs. Waldron bravely performed the duties of a classroom teacher and planned her work efficiently even from her hospital bed.

In the death of Gertrude Waldron, Woodrow Wilson High School has lost a conscientious teacher, and the community, a woman of integrity.

February Class History

In February of 1959, we the class of 1962 1/2, entered the hallowed halls of Woodrow Wilson High School for the first day of our high school careers. We were greeted by Jimmy Sanderlin, S.C.A. President, in a special assembly for freshmen. Final advice was given as we were escorted by S.C.A. members through this large building which was to be our home for the next four years. Soon after we arrived the famed "bleacher collapse" of the Wilson-Newport News basketball game took place in our gym.

The next September we were 1B's and our stay at Wilson began to be more enjoyable when everyone joined clubs and got in the swing of things. That year the Student Council was headed by Marty Brennaman, under the theme of "Operation Bootstrap," and Jackie Drake was Homecoming Queen.

In our Sophomore year Dickie Lasting was president of the S.C.A. and Pat O'Brien reigned as Homecoming Queen. A Sophomore Class was organized with Nancy Williamson as president and Mr. Patrick Riley as advisor, and Wilson's first Freshman-Sophomore was held. The Wilson Knights, our "swinging" new dance band was introduced, and everything had to be "tuff or what."

Early in 1961 things really began happening. We became upperclassmen at last and the varsity basketball team won the Eastern District Championship. What better way to celebrate than to go to Charlottesville with our team and be excused from school for two days? Glenn White was elected Junior Class President with Miss Joanne Ricketts as advisor, and Bobby Allen led the S.C.A. in one of its best years yet. School spirit soared in many ways. Freddie Sue Turner was Homecoming Queen. Thoughts were on the future now.

In our high Junior year, Ralph Gahagan took over as football coach, and Wilson once again had a winning team. In February 1962 we finally became Seniors. There was a lot of running around and worrying but we managed to get our dues in on time so that we could attend the Junior-Senior Prom. We decorated in the theme of "Mardi Gras," and it was really beautiful. It was a memorable event for all. Since we, as 4A Seniors would not be in school the following May, we joined the 4B's in the frolicking fun of Baby Day. We were all sad to see Mr. Patrick Riley leave; although, we realized he would still be urging other students to think seriously about their purposes in life.

In September 1962, we became high Seniors. The S.C.A., with the theme of "Work and Win through Honor and Scholarship" was led by Julia Dorsey Reed, the first girl president for many years. Toni Williams reigned over the Homecoming festivities. The football team led by Bob Cross and Dale Heely brought honor to Wilson by compiling a 7-3 record, its best in several years. Glenn White was elected 4B President and Mr. Ernest Etheridge was our advisor. Senior themes had to be written, dues were paid, and calling cards and announcements were ordered. We were measured for our caps and gowns and for the first time many of us began to realize how serious this business of high school really was.

Most of us faced graduation with the mixed emotions of happiness and sorrow. We had just completed four of the most wonderful years of our lives and now we were going out in to the world to prove ourselves. We of the 4B class sincerely hope that all of those whom we are leaving at Wilson will realize too, that you will benefit greatly from this high school education you are receiving now. We want to wish all of you the best of luck and happiness in your future years.

June Class History

"Hey, look us over! Lend us an ear! We are the best class that was ever here." With the strains of our class song still echoing the halls of Wilson, we leave our Alma Mater taking with us memories of the four best years of our lives.

It was the year 1959 when we first entered Wilson, somewhat frightened and confused with the "bigness" of it all. That year was quite a big one for us. We started on our way with the help of the Student Council headed by Marty Brennaman and looked up to our lovely Homecoming Queen, Jackie Drake. We became interested in school activities and participated in many. We made new friends and learned new things and finally began to become a real part of Wilson.

Summer came and passed quickly and September 1960 arrived and we entered the school year enthusiastic for we were no longer "the lowest." This year our boys took active part in J.V. sports and our classmates were J.V. Cheerleaders. Dickie Lasting was S.C.A. President and Pat O'Brien reigned over Homecoming festivities. What a Homecoming it was too! Our team broke a four year winning streak of the St. John's team from Washington, D.C. by defeating them 7-6 for the old grads. Julia Dorsey Reed and Rick Rivin represented our class well on Wilson's first Scholastic Team. We were also the first sophomore class along with the freshman class to be organized separately. That was election year too, and we participated in a mock election, electing John F. Kennedy. Yes, it was a big year.

Then in September 1961 we finally entered the ranks of upperclassmen. We ordered our rings and anxiously awaited their arrival. Bobby Allen was S.C.A. President that year, and Freddie Sue Turner was Homecoming Queen. Our class was represented by Fan Helsel and Susanne Orenduff in the Homecoming Court. Our boys were now Varsity Team members and some of our girls were Varsity Cheerleaders. Other members took responsible offices in clubs, duties on literary publications, and were debate team members. And of course we will all well remember the Junior-Senior, the hard work and long hours but especially the pride and joy of giving it and making it the best. But the big one was yet to come ...

Finally, September 1962 rolled around, and it was here ... our Senior year. It was really the big one and the best one. Our class, unique in every way, made history by having the first girl to be S.C.A. President in about 30 years. Julia Dorsey Reed was that girl, and she served well in her office. Other class members filled S.C.A. offices, and Toni Williams reigned as "our" Homecoming Queen. The football team did a great job by compiling a 7-3 winning season, bettering those of the past three years. Dale Heely and Bob Cross were Co-Captains and more of our boys joined them on the team. Sarah Willis and Bobbie Weiss were Co-Head Cheerleaders and along with the other cheerleaders were able to bring school spirit to a peak. Charlie Parkerson headed the first Varsity Club to be organized at Wilson, and the Tri-Hi-Y's had a powder puff bowl.

All these things and others ... college night ... campaign parties ... homework ... pep rallies ... exams ... assemblies ... Senior themes ... Charlottesville ... plays ... Hi-Y and Tri-Hi-Y ... working on floats ... intramurals ... library ... football banquet ... Baby Day ... A.A. Cards ... class pictures ... The STUDENT ... "fire drill" ... decorating the goal posts ... Student-Faculty game ... counseling ... phys. ed. and home ec. ... and so many more have made our four years complete and wonderful here at W.W.H.S.

Yes, all of these things we will remember, "Class of '63."

In Memoriam

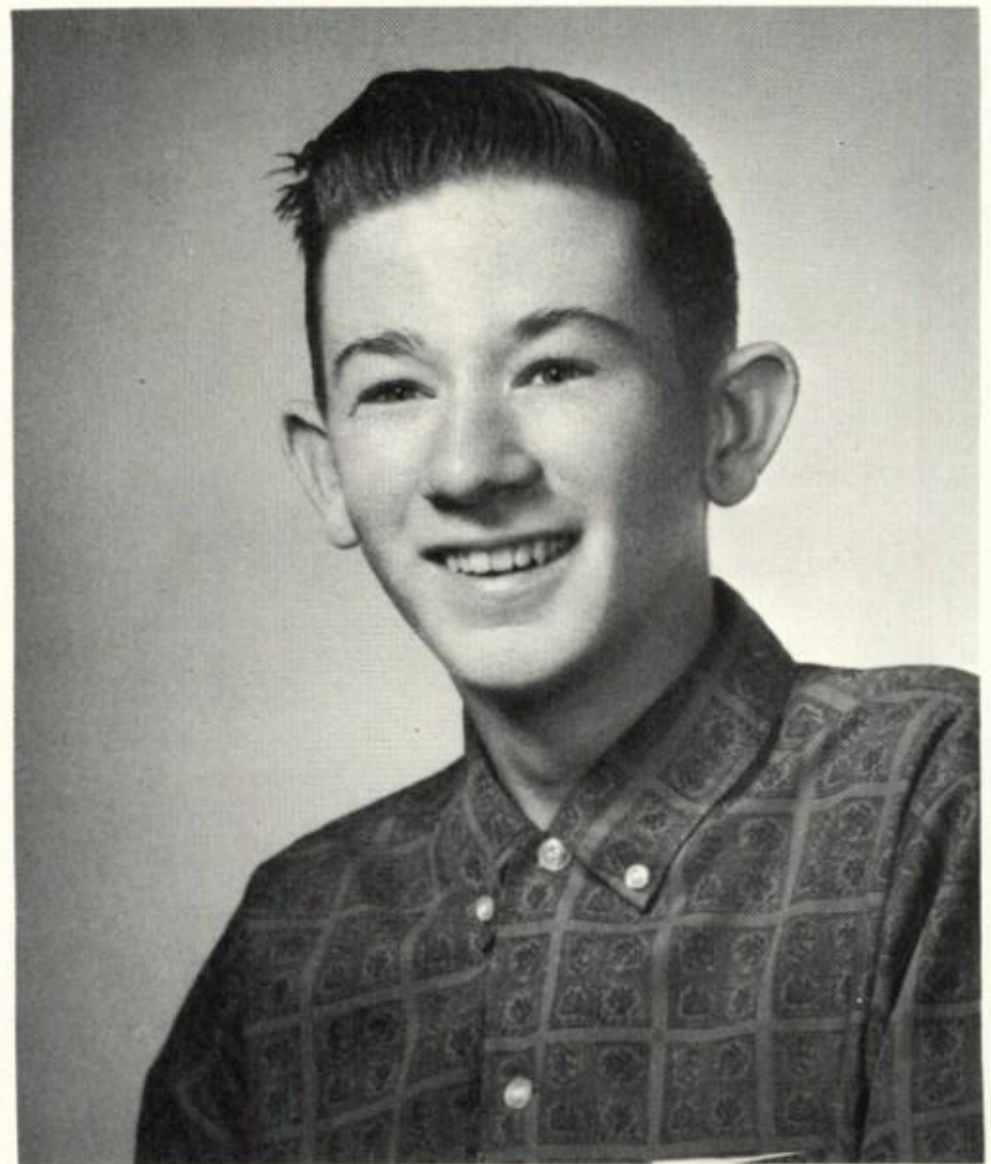

MELODY EARLE HUDGINS

As our graduation is upon us, we all think about and miss a fellow class member, Melody Earle Hudgins. We all remember that automobile accident of Good Friday, 1961, in which Melody was killed. Her death left an empty place in our midst; however, knowing Melody as we did, we feel that she is watching with keen interest all of our senior activities. While Melody was deeply religious, serious minded, and mature in her thinking, she shared our gayer hours and lighter moods, as well as our serious ones. And so, in the midst of our busy life we pause to do honor to the memory of a former classmate.

EDWARD BUNTING

A long, serious illness claimed the life of Edward Bunting, a member of the class of 1963, in early December of 1962. To those who were close to him, Edward was always a good friend, and for everyone he always had a smile and a friendly hello. A valued member of the band, he contributed much to its success. To the members of this graduating class it was a privilege to have known Edward, and he will hold an honored spot in the memories of the Class of 1963.

WILSON 0 - OSCAR SMITH 7

Oscar Smith made good on its only sustained drive of the game in the second quarter to spoil Wilson's opener by a 7-0 margin. The Presidents took the opening kickoff and, with Frank Culpepper in the key role, moved to the Smith 10 where Culpepper fumbled, guard Bob Churchill recovering for the visitors.

The Tigers moved back to the Wilson 47 where Wayne Creef fumbled, Larry Davis recovering. The Presidents failed to get a drive going, and punted to the Smith 16. From here the Tigers started their winning 74 yard march which was capped by Roger Harris' 17 yard pass on fourth down to end Kenny Delong. Creef kicked the extra point. The Tigers

never threatened again, and their rugged defenders spent the rest of the contest beating back Wilson threats.

In the second quarter the Presidents started their big drive from the 17 with a Davis to David Moody pass for 17 yards. Dale Heely and Tommy Morgan then took turns moving the ball deep into Smith territory. Davis again passed to Moody for 17 yards to put Wilson on the Smith two, but there was just time for one play, and Culpepper was thrown for a three yard loss.

Defensive standouts for Wilson were Harvey James, J.B. Edwards, and Bobby Cook.

WILSON 6 - NEWPORT NEWS 33

A big, fast, and powerful Newport News team handed Wilson its second defeat in a row by a score of 33-6. The Typhoon spotted the Presidents a touchdown in the opening minutes, and then came on to completely dominate a contest that figured to be close.

The Presidents, victims of fumbles and pass interceptions, drove 65 yards for their lone score the first time they got the ball. The manner in which they ripped the Typhoon line led the 6,000 fans to believe the visitors were in for a tough night. A fourth down one to go gamble that clicked on the 45, and Larry Davis' 15 yard pass to Dale Heely were the key plays in the march. Heely scored from the one, but failed to convert.

The Typhoon marched 60 yards with the following kickoff, with a 33 yard screen pass from Dale Mueller proving to be the big gainer. Ken Bransford hit the middle from the three, the extra point kick was good, and Newport News was off and running with a 7-6 lead at the end of the first quarter.

From this point on the Typhoon dominated play, and the Presidents were not able to produce a serious threat during the rest of the game.

WILSON 19 - NORVIEW 6

The Presidents travelled to Chittum Field seeking their first win of the season, and sent the Pilots down to defeat for the first time in 37 games on their home field. The score was 19-6.

Wilson picked up its first score before the end of the first quarter on a 20 yard pass from Larry Davis to David Moody who was all alone in the end zone. Late in the second quarter, Norview started a drive which was highlighted by a touchdown pitch from Jerry Collier. The half ended with the Presidents on the Norview seven, and the score knotted a 6-6.

Co-captain Dale Heely scored the tie breaker in the third quarter on a five yard run, and Tommy Morgan, who led the Wilson attack in the second half, scored in the fourth period on a 14 yard scamper. Norview's final drive stalled on the Wilson eight, and the game ended with the Presidents in possession. This win gave the Wilson eleven a big lift psychologically.

Offensively, the performance of the entire Wilson backfield was outstanding, while on defense, standouts were Bobby Cross, Harvey James, Larry Davis, and Bobby Cook. In fact, the entire team must be credited with a great effort in this important win.

WILSON 30 - FERGUSON 6

Wilson outclassed Ferguson by a score of 30-6 before 6,000 Homecoming fans, and at the same time piled up memories for the visiting classes of 1936 1/2-37, and for members of the 1916-20 Wilson teams who sat on the sideline during the game.

The Presidents romped to an 18-0 half time lead, but lost the services of Frank Culpeper who sustained a broken nose. Larry Davis passed to Harvey James for the first score, the play covering 28 yards. Two more scores followed before the end of the half, at which time the elaborate ceremonies were climaxed by the crowning of Queen Toni Williams by Dr. Robert Allen.

With substitutes playing most of the second half, the Presidents hit pay-dirt twice more, and allowed the Mariners their only touchdown. Second string quarterback Donald Powell increased the Presidents' lead with a 25 yard pass to Donald Bradley.

This was the first game during which Coach Ralph Gahagan could really show Wilson followers his bench strength. Others making fine showings in addition to Powell and Bradley were Ray Reinholz, Ronnie Baker, Al Harman, and Charles Mastro.

Led offensively by Powell and defensively by the entire line, the Presidents showed that they would not be a pushover for any opponent in the Eastern District.

WILSON 14 - HAMPTON 0

The Presidents journeyed to Hampton for the Crabber's homecoming, and came away victorious for the third straight time. The score was 14-0. Wilson's first score was set up by a 38 yard run by Tommy Morgan, who then went over from the one for the touchdown. The second marker came in the final quarter, resulting from a drive featuring long gains. One was a pass from Larry Davis to Harvey James, and the other a run by James Ponton. Dale Heely bulled over from the one for the score.

This game featured not only a potent offense, but clutch defensive play. The Crabbers drove into Wilson territory three times, only to be thwarted on each occasion. Turning in stellar performances were middle guard Bobby Cook, linebacker Harvey James, guard Robert Bartlett, and back Larry Davis.

Due credit must be given to the offensive effort of the backfield composed of Davis, Heely, Morgan, and Frank Culpepper. Coach Gahagan was very pleased with both offensive and defensive units. He was especially high in his praise of the defensive line which, at the start of the season, was one of the smallest to represent Wilson in some years.

WILSON 19 - CHURCHLAND 13
Wilson ground out 311 yards on the ground to defeat arch-rival Churchland for its fourth straight Eastern District football victory. The score was 19-13. The Presidents tallied the first two times they had the ball, which they controlled so much that they did not have to punt at any time during the game.

"The Fabulous Four," Wilson's stand-out backfield, was led by Dale Heely and Frank Culpepper, but overall balance was evident in the fact that the three touchdowns were scored by Heely, Tommy Morgan, and Larry Davis. Churchland, led by Kenny Currie, threatened in the closing minutes, but fumbled on the 49. Wilson recovered and ran out the remaining 30 seconds. The victory was hard-earned even though the Presidents controlled the ball and outplayed the Truckers most of the way.

The Churchland offensive unit was unable to sustain a drive against the President defensive team long enough to cross the goal line. The Truckers, led by Kenny Currie and Jody Bew, pressured the Wilson defensive team into one of its best performances thus far. Standouts were Harvey James, Bobby Cook, Bobby Cross, Robert Bartlett, J.B. Edwards, Wally Bunting, John Brooks, Bernard Doleman, Davis, and Ronnie McEwen.

Another great effort on the part of the entire backfield was once again quite evident. If any one individual stood out it was Culpepper, who continually came through with key yardage throughout the game.

WILSON 27 - MAURY 13

The Presidents journeyed to Foreman Field in an effort to stretch their four game winning streak at the expense of the Maury Commodores, and were successful to the tune of 27-13. This game was the 42nd in a series which is one of the South's longest rivalries. This was the first win over a Maury team since 1956.

Wilson wasted little time in grabbing the lead as co-captain Dale Heely took the opening kickoff and streaked 79 yards up the middle for a touchdown. Heely scored again the next time he got his hands on the ball, this time scampering 18 yards to pay dirt. To make his presence felt even more, he stymied the Commodore's only threat in the first half with a key interception. Tommy Morgan scored the third touchdown of the first half on a short run. A lot of credit for the scoring in the first half must go to Bobby Cook and Robert Bartlett who continually opened large holes in the Maury line.

Aided by the fine running of Heely and Larry Davis, the Presidents increased their lead to 27-0 in the third quarter, with Dale scoring again to raise his point output for the night to 19. At this point Coach Gahagan substituted freely, and Maury was able to put together two quick scores to narrow the gap to 27-13. The starters were hurried back in, and stymied any further drives on the part of the Commodores. Harvey James' defensive play drew comments from sports writers in the press box.

Maury leads the over-all series with 24 wins. Wilson has managed 16 victories, and two games have ended in ties.

WILSON 7 - PRINCESS ANNE 13

Wilson travelled across the river riding a five game winning streak which was ended abruptly by Princess Anne, 13-7. The Cavaliers, led by Charles Carr and Buster O'Brien, rallied in the second half to edge the Presidents. Mike Smith, who played Jay Vee at Wilson in 1961 before moving to Princess Anne, made the Cavalier's famed passing attack more effective with his running.

The Presidents scored first on a short run by Larry Davis, but Princess Anne came right back to narrow Wilson's lead to 7-6 at half time. The Cavaliers took the second half kickoff and scored on an O'Brien pass to put Wilson on the short end of a 13-7 score. Bobby Cook, Harvey James, and J.B. Edwards then started to open large holes in the Princess Anne forward wall, and Wilson's powerful ground attack began to grind out consistent yardage, finally reaching the Cavalier 27 yard line on a 15 yard run by Dale Heely. Several passes brought the Presidents even closer, but time ran out.

In addition to Cook, James, and Edwards, David Moody and Bobby Cross turned in yeoman performances for the Orange and Blue.

WILSON 33 - GRANBY 15

The Presidents bounced back from their defeat at the hands of Princess Anne, crushing the Blue Comets of Granby by a score of 33-15. This win enabled Wilson to complete the sweep of its Norfolk rivals for the first time since 1954.

The Prexies, mixing up a devastating ground attack with accurate passes, turned what had figured to be a close game into a rout. This was easily Tommy Morgan's best game. He scored two touchdowns, and made a key tackle on a Granby back headed for a sure score. J.B. Edwards and Bobby Cook anchored Wilson's rapidly improving line.

Wilson scored first on a pass from Larry Davis to Morgan. The Comets stormed back and took the lead, 12-6. The Presidents then took the following kickoff and marched to the Granby 47. Davis, displaying great ability and deception, broke away for a touchdown, but it was called back because of a penalty. Two plays later Frank Culpepper exploded for 32 yards and a score that counted. The Comets came right back and, with three seconds left, kicked a field goal to give them a 15-12 halftime lead.

The second half was all Wilson. The Presidents roared back to take the lead on a pass from Davis to Harvey James. Morgan and Davis followed up with touchdowns to close out the scoring. Two juniors, Bernard Doleman and Ronnie McEwen, were defensive standouts.

WILSON 33 - CRADDOCK 6

What was anticipated as a possible close battle, ended in a 33-6 rout. Playing before a crowd of 7,000, the Presidents scored touchdowns the first four times they had possession of the ball, and held a 26-0 lead at halftime.

The Admirals came back to outplay the Prexies in the second half, but fumbles stopped two scoring threats, and Wilson held on two other occasions.

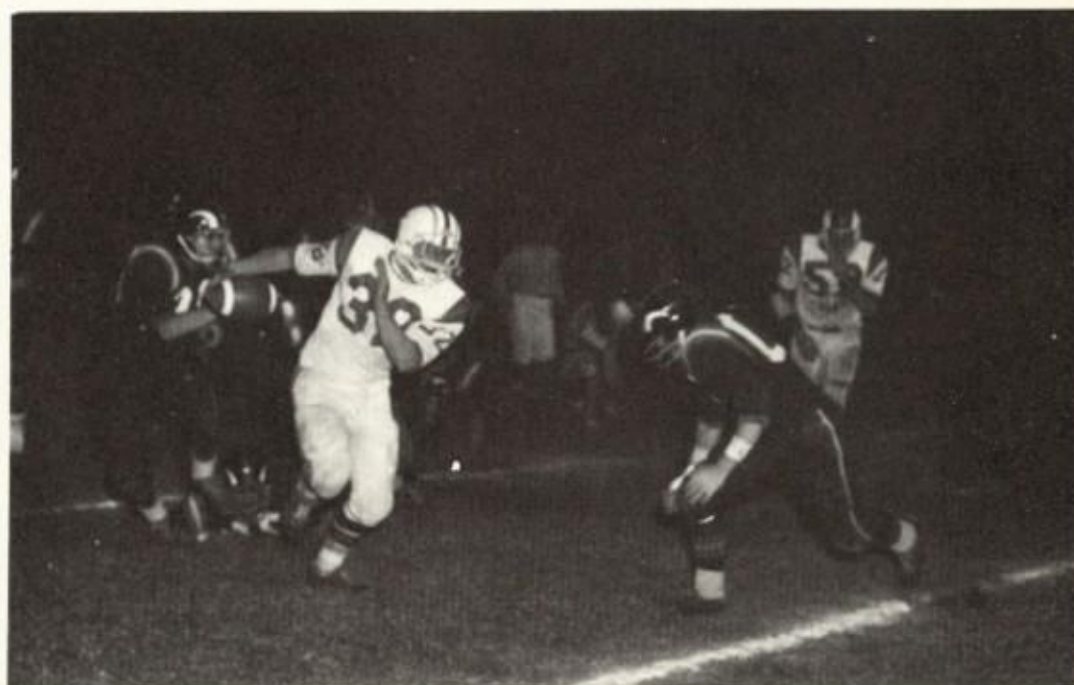

Frank Culpepper scored twice on runs of two and 13 yards, Larry Davis tallied on a one yard sneak, and passed to David Moody for another score. With the Admirals passing from their own end zone, Tommy Morgan intercepted on the eight and crossed the goal line to close out the scoring.

Davis' 17 yard pass to Harvey James, and a 12 yard scamper by Morgan were key plays in the opening touchdown drive that saw Davis sneak over from the one. Dale Heely's 18 yard run touched off the second march. Davis connected with James to the Craddock four, and on the second play crashed through from the two. Morgan ran the extra point to make it 13-0. An Admiral fumble on the Wilson 35 was the start of the third drive. From here, Culpepper, Morgan, and Heely took turns carrying the ball, with Culpepper hitting the left side from 13 yards out for the score. Heely's conversion run made it 20-0.

Defensive standouts were end Wally Bunting, linebacker Bobby Cook, Bernard Doleman, Johnny Brooks, Tommy Foxworth, Robert Bartlett, and Bobby Cross.

SEASON HIGHLIGHTS

With a record of three wins, two ties, and two losses, the Baby Presidents finished what might be called a rebuilding year. The team was again under the direction of veteran coach Jim Sherrill who was assisted by newcomer, Jim Paine.

The climax of the season came on a 7-6 victory over the Hampton Crabbers. This gave the Presidents a winning season, and preserved their winning record of past years.

The Presidents took charge as soon as they got the ball on the kick-off. They marched to the Hampton 15, where a Wilson pass was intercepted. The Crabbers had the ball four plays only to give it up to the Presidents again. This time they capitalized on a 70 yard drive capped by a 4 yard plunge off tackle by halfback Bobby Coleman. Coleman also added the extra point. In the final quarter the Crabbers took advantage of a 15 yard penalty which put the ball on the Wilson five from where they scored but were unable to add the final point.

Prior to the Hampton game, the Presidents battled their arch rival, Churchland, to a scoreless tie. This was a noble effort on the part of both teams.

The Presidents traveled to Granby only to get a 19-0 white-washing. Coach Sherrill couldn't seem to get his offense rolling for this game.

Jean (who else?)

You are not cute or sweet or
do you deserve my best wishes.
So what can I write? Well
I guess I will have to shoot
the bull! I can't say "see you this
fall" because, unfortunately I will
see you all summer. I can't
say "stay as sweet as you are" cause
if I do, by next week you won't
have any friends! I guess all I
can say is to remember all the
great times we had. I won't

mention about the times at Navy Huse
and how we were dying to see
Wilson because it might embarrass
you. So forget it! Also I won't
mention our
little talks about certain people
or our "cut up sessions".
Also I won't mention the
times you liked a certain person
(C.P.) and instead of him being
"snored" a rather certain person
was (J.T.). No, I also won't
tell about the time you were
too sick(?) to go to the B.D. one with
someone (J.T.) That sounded fishy
to me? Huh? I should write
a dear Abby column. Bye till

Jean,

Hi. Gloria Fay and you to soon

Best of luck to a real sweet girl with a great future. Remember all the times I was supposed to go with ^{you} to Chuckland I envisage but for some reason we never quite made it, well I still plan to go sometime before I leave for school so we will get to go sometime. Thank you so much for the use of your room. At the time I did not think it worked but by the night of the Prom it showed up very well (thanks to you). Remember all the fun we have had in land, after the rehearsals and football games. ~~I~~ I think you should try out for majorette because I shared some of Linda Jennings wonderful times & I know you would have a terrific time. You have a grand future here at Wilson so enjoy yourself, it will be the best years of your life. I hope to see you this summer.

Love ya

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–2000) and is projected to increase by a further 1.5 million by 2020 (Office for National Statistics 2001). The number of people aged 65 and over is projected to increase from 10.5 million in 1990 to 12.5 million in 2020, with the number of people aged 75 and over increasing from 4.5 million to 6.5 million in the same period.

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has identified the need to develop a 'new paradigm' of care for the ageing population, one that is based on a 'continuum of care' rather than a 'dual system' of care. The 'new paradigm' is based on the principle that care should be provided in the community wherever possible, and that care should be tailored to the needs of the individual. The 'new paradigm' is based on the principle that care should be provided in the community wherever possible, and that care should be tailored to the needs of the individual.

The first part of the paper discusses the importance of understanding the local context in which a project is implemented. This involves conducting a thorough assessment of the social, cultural, and economic conditions of the community. Only by understanding these factors can a project be designed to be effective and sustainable.

The second part of the paper focuses on the role of community participation in the development process. It argues that communities should not be passive recipients of aid but active participants in their own development. This requires creating mechanisms for community input and decision-making at all stages of the project.

The third part of the paper examines the challenges of implementing community-based development projects. These challenges include limited resources, lack of technical expertise, and potential conflicts within the community. The paper offers strategies to overcome these challenges, such as building local capacity and fostering partnerships with external organizations.

The fourth part of the paper discusses the importance of monitoring and evaluation in community development. It emphasizes that regular assessment is necessary to track progress, identify problems, and make adjustments to the project as needed. This ensures that the project remains relevant and effective over time.

The fifth part of the paper concludes by highlighting the need for a holistic approach to community development. This means addressing not only economic and social issues but also environmental and cultural concerns. Only by taking a comprehensive view can a community truly thrive and sustain its development.
